- ✓ Contains essential micro & macro nutrients
- ✓ Seaweed enhanced formulation
- ✓ Makes over 200 ltrs

Australian
made & owned

1 litre

Approved Organic Input

Fair Dinkum Fertilizers Indoor Plant Food is a liquid seaweed based complete fertiliser. Indoor Plant Food is designed to provide all the nutritional requirements for plants grown indoors.

Indoor Plant Food contains both macronutrients and chelated micronutrients. The micronutrients are chelated with natural chelators and are available to the plants when grown in any of the common potting media over a wide range of pH.

Indoor Plant Food is finely filtered and is completely soluble in water leaving no residue. It can be used on orchids or ferns at between double to triple the dilution rate recommended for other plants.

- ✓ **General fertilising:**
Dilute 40 ml, (2 cap fulls) of concentrate into 9 litres of water.
- ✓ **Lawns & Vegetables:**
Dilute 40 ml, (2cap fulls) of concentrate into 9 litres of water. Apply every 2 -3 weeks during the growing season.
- ✓ **For orchids and ferns, dilute 20 ml, (1 cap fulls) of concentrate into 9 litres of water.**

	Analysis
Nitrogen	1.0%
Phosphorus	0.75%
Potassium	4.6%
Boron	110 ppm
Copper	250 ppm
Iron	420 ppm
Molybdenum	2 ppm
Manganese	200 ppm
Zinc	360 ppm
Filtration	100 mic

%W/V is grams per 100ml of product
ppm is parts per million on weight basis
g/l is grams per litre
mic = microns
