1 litre

Approved Organic Input

Fair Dinkum Fertilizers Seaweed Gold concentrate is made from freshly collected storm cast Australian seaweed.

* It is suitable for all plants except fungi based plants such as mushrooms and truffles etc.

It contains micro nutrients and plant growth hormones recommended for environmentally friendly and sustainable gardens.

Fair Dinkum Fertilizers Seaweed Gold concentrate is an alkaline based seaweed and is suitable for general use.

It increases root development and builds resistance to drought and other environmental stress.

If using as a foliar feed, spray in the early morning or late afternoon.

Do not apply if the temperature is above 22 degrees celsius or in full sun to prevent potential leaf burn or damage.

✓ **General fertilising:**
Dilute 40 ml, (2 cap fulls) of concentrate into 9 litres of water.

✓ **Lawns & Vegetables:**
Dilute 40 ml, (2 cap fulls) of concentrate into 9 litres of water. Apply every 2 -3 weeks during the growing season.

✓ **Ideal for flowers, vegetables, natives and lawns.** Helps improve yield for leafy vegetables.
